

When The Stars Go Blue

Blake Lewis

Dancin' when the stars go blue
Dancin' when the evening fell
Dancin' in your wooden shoes
In a wedding gown

Dancin' out on 7th Street
Dancin' through the underground
Dancin' with a marionette
Are you happy now?

Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow you, when the stars go blue
Stars go blue, stars go blue
Stars go blue

Laughing with your pretty mouth
Laughing with your broken eyes
Laughing with your lover's tongue
In a lullaby

Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow you, when the stars go blue
Stars go blue, stars go blue
Stars go blue
