

Your Touch

Blake Lewis

I've been writing you a story
The headline reads "We're Meant To Be"
See I'm not one to write such fiction
So let me be a reality
And show you what you mean to me

I'm thinking you and I
Should roll the dice, get lost in love forever
Cause I'm feeling intoxicated
I wanna taste the air that you've been breathing

So haunt me, and feel me
I've been waiting for your touch
Your beauty consumes me
I never loved someone so...
So haunt me, and feel me
I've been waiting for your touch
Your beauty consumes me
I never loved someone so...

Before I met you, my heart was heavy
It was weighted down from all my pride
And now I'm lost in your sweet surrender
Confessing this love I have inside
So now I'll show you what you mean to me

I'm thinking you and I
Should roll the dice, get lost in love forever
Cause I'm feeling intoxicated
I wanna taste the air that you've been breathing

So haunt me, and feel me
I've been waiting for your touch
Your beauty consumes me
I never loved someone so...
So haunt me, and feel me
I've been waiting for your touch
Your beauty consumes me
I never loved someone so much

And now I'm lost in your sweet surrender
And now I'm lost in your sweet surrender

I want to be the one that you run to
I want to be the one you say I love to
Been waiting on forever just to hold you
And our love will make the headlines bleed tonight

So haunt me, and feel me
I've been waiting for your touch
Your beauty consumes me
You know I never loved someone so...
So haunt me, and feel me
I've been waiting for your touch
Your beauty consumes me
I never loved someone so much
