

# All About Tonight

Blake Shelton

Don't bother telling me what I got coming in the morning  
I already know  
I got some feelgood pills and a red gatorade by my bed  
Ready to go

I'm gonna do my best to dance with every girl in this bar  
Before they shut it down  
Then I'll pay my tab climb in a cab  
Headin' to a spot downtown

It's all about tonight  
Good times and the music and laughing and grooving to the band  
Everybody's getting right  
No worries we're rocking all kinds of concoctions in our hands  
Yeah tomorrow can wait 'til tomorrow  
It's all about tonight

Hey pretty thing  
I've been looking at you since the moment that you walked in  
I got some wildest buddies that love spending money  
And I see you brought a couple of friends

Just tell me your name  
I don't need your number or a date next saturday  
Baby let's act like fools break a few rules  
Party the night away

It's all about tonight  
Good times and the music and laughing and grooving to the band  
Everybody's getting right  
No worries we're rocking all kinds of concoctions in our hands  
Yeah tomorrow can wait 'til tomorrow  
It's all about tonight

Haha slide

It's all about tonight  
Good times and the music and laughing and grooving to the band  
Everybody's getting right  
No worries we're rocking all kinds of concoctions in our hands  
Yeah tomorrow can wait 'til tomorrow  
I said tomorrow can wait 'til tomorrow  
It's all about tonight

Yeah it's all about tonight  
Come on it's all about tonight  
We're gonna get our swerve on a buzz on  
It's all about tonight  
Come on baby I wouldn't worry about that  
It's all about tonight
