

Bet You Still Think About Me

Blake Shelton

Baby where are you going now?
Do you ever really know?
Oh you hate to be tied down
But you hate to sleep alone

I bet you still think about me
Yeah I bet you still think about me

Like I think about you
Even when I don't want to
There's just something about you baby
There's nothing that I can do
I think about you, you were always wild and free
I know we couldn't hold on forever, but baby
I bet you still think about me

Are you driving up the coast?
Are you wearing any shoes?
Did you outrun all your ghosts?
Like you were always tryna do...

I bet you still think about me
Yeah I bet you still think about me

Like I think about you
Even when I don't want to
There's just something about you baby
There's nothing that I can do
I think about you, you were always wild and free
I know we couldn't hold on forever, but baby
I bet you still think about me

Like I think about you
Even when I don't want to
There's just something about you baby
There's nothing that I can do
I think about you, you were always wild and free
I know we couldn't hold on forever, but baby
I bet you still think about me

Yeah I bet you still think about me
Yeah I bet you still think about me
