

# Don't Make Me

Blake Shelton

1. Girl when I look at you you look through me like I'm not even there, I'm trying not to give up to be strong but I'm afraid to say I'm scared I can't find the place you're heart is hiding I'm no quitter but I'm tired of fightin

R: Baby I love you Don't wanna lose you Don't make me let you go Took such A long time for me to find you don't make me let you go Baby I'm beggin please and I'm down here on my knees I don't want to have to set you free Don't make me

2. What if when I'm long gone it dawns on you you just might want me back let me make my self clear if I leave here it's done I'm gone that's that you carry my love around like it's A heavy burden I'm about to take it back are you sure it's worth it

R: Baby I love you...

Baby I'm beggin please and I'm down here on my knees I don't want to have to set you free Don't make me
