

Got the T-Shirt

Blake Shelton

If my heart was just the destination
She had herself one hell of a vacation
If my kiss was just the main attraction
She wore it out like it was going out of fashion
If my touch was just some kind of ride
Then she loved that roller-coaster
I guess she came down from that high
When it was over, it was over

She did what she came to do
Saw what she came to see
Took a good look around
Made her some memories
Never been there before
She crossed it off the map
Pedal down to the floor
Now she ain't coming back

That's the last I'll see of her
She's been there
Got the T-shirt

I wonder if she'll just throw it in the closet
Or keep it out and tell her friends just how she got it
I wonder if she's sleeping in it, dreaming in it
I wonder if she knows what she did to me, yeah

She did what she came to do
Saw what she came to see
Took a good look around
Made her some memories
Never been there before
She crossed it off the map
Pedal down to the floor
Now she ain't coming back

That's the last I'll see of her
She's been there
Got the T-shirt

With stones on the front
Tour dates on the back
Took it when she left
Took a lot more than that

She did what she came to do
Saw what she came to see
Took a good look around
Made her some memories
Never been there before
She crossed it off the map
Pedal down to the floor
Now she ain't coming back

That's the last I'll see of her
She's been there
Got the T-shirt
