Blake Shelton

Another summer day, has come and gone away
In Paris and Rome, but I want to go home
Maybe surrounded by, A million people I
Still feel all alone I wanna go home
Oh, I miss you, you know

And Ive been keeping all the letters that I wrote to you
Each one a line or two Im fine baby, how are you?
I would send them but I know that its just not enough
My words were cold and flat and you deserve more than that

Another airplane, Another sunny place,
Im lucky I know, but I wanna go home,
Ive got to go home,
Let me go home,
Im just too far from where you are, I wanna come home

And I feel just like Im living someone elses life
Its like I just stepped outside, when everything was going right
And I know just why you could not Come along with me
This was not your dream, But you always believed in me

Another winter day has come and gone away
In even Paris and Rome and I wanna go home
Let me go home

And Im surrounded by, A million people I
Still feel alone Oh, let me go home
Oh, I miss you, you know
Let me go home, Ive had my run Baby, Im done
I'm coming back home
Let me go home, It will all be all right
Ill be home tonight, Im coming back home
