Honey Bee

Blake Shelton

Girl, I've been thinkin' 'bout us And you know I ain't good at this stuff, But these feelin's pilin' up Won't give me no rest

This might come out a little crazy A little sideways, yeah, maybe I don't know how long it'll take me, But I'll do my best

If you'll be my soft and sweet, I'll be your strong and steady You be my glass of wine, I'll be your shot of whiskey You be my sunny day, I'll be your shade tree You be my honeysuckle, I'll be your honey bee

Yeah, that came out a little country But every word was right on the money And I've got you smilin', honey, Right back at me

Now, hold on, 'cause I ain't done There's more where that came from Well, you know I'm just havin' fun, But seriously

If you'll be my Louisiana, I'll be your Mississippi You be my little Loretta, I'll be your Conway Twitty You be my sugar baby, I'll be your sweet iced tea You be my honeysuckle, I'll be your honey bee

Your kiss just said it all I'm glad we had this talk Nothin' left to do, but fall In each other's arms

I could've said a "I love you" Could've wrote you a line or two Baby, all I know to do Is speak right from the heart

If you'll be my soft and sweet, I'll be your strong and steady You be my glass of wine, I'll be your shot of whiskey You be my sunny day, I'll be your shade tree You be my honeysuckle, I'll be your honey bee You'll be my Louisiana, I'll be your Mississippi You be my little Loretta, I'll be your Conway Twitty You be my sugar baby, I'll be your sweet iced tea You be my honeysuckle, And I'll be your honey bee

I'll be your honey bee
