

# Mine Would Be You

Blake Shelton

What's your all time high, your good as it gets?  
Your hands down best ever make-up sex?  
What's your guilty pleasure, your old gold tooth?  
Well if you ask me, mine would be you

What's your worst hangover, your best night yet?  
Your 90 proof, your Marlboro Red?  
The best damn thing you lucked into  
That's easy girl, mine would be you

Mine would be you  
Sun keeps shining, back road flying  
Singing like crazy fools  
Making up our own words  
Laughing 'til it hurts  
Baby, if I had to choose  
My best day ever  
My finest hour, my wildest dream come true  
Mine would be you

What's your double dare, your go all in?  
The craziest thing you ever did?  
Plain as your name in this tattoo  
Look on my arm, mine would be you

Mine would be you  
Sun keeps shining, back road flying  
Singing like crazy fools  
Making up our own words  
Laughing 'til it hurts  
Baby, if I had to choose  
My best day ever  
My finest hour, my wildest dream come true  
Mine would be you

What's the greatest chapter in your book?  
Are there pages where it hurts to look?  
What's the one regret you can't work through?  
You got it baby, mine would be you  
Yeah you got it baby, mine would be you

Mine would be you  
Taillights fading  
Daylight breaking  
Standing there like a fool  
When I should've been running  
Yellin' out something  
To make you wanna hold onto  
The best love ever  
Girl, can you tell me  
The one thing you'd rather die than lose?  
'Cause mine would be you  
Mine would be you
