

# Ready to Roll

Blake Shelton

Girl I've been at work all work  
Fingers to the bone I need  
A little hit of you and me  
A little time alone

All day I've been thinking about  
Quitting early, skipping out  
Hollin' ass to hit the couch  
And hang with you at home

We got some laid back country tunes on the radio  
We gonna burn all afternoon like its something to smoke  
We gotta whole lot of nothing to do and nowhere to go  
So baby I don't know about you but I'm ready to roll

Yeah

Let others fool go paint the town  
We'll just hold this sofa down  
Till Monday morning rolls around  
I'll tell you what let's do

You go grab those tater chips  
Ill whip up some party dip  
And well kick back and take a trip  
And sip a beer or two

We got some laid back country tunes on the radio  
We gonna burn all afternoon like its something to smoke  
We gotta whole lot of nothing to do and no where to go  
So baby I don't know about you but I'm ready to roll

Yeah we got some laid back country tunes on the radio  
We gonna burn all afternoon like its something to smoke  
We gotta whole lot of nothing to do and no where to go  
So baby I don't know about you but I'm ready to roll

Yeah I'm ready to roll  
Ready to roll
