

# She Doesn't Know She's Got It

Blake Shelton

On Friday night when I see her out  
Even in a crowd she's hard to miss  
There ain't a man breathing air  
Who wouldn't stop and stare  
And the best part is..

[chorus]

She doesn't know she's got it  
She doesn't know how bad we want it  
She doesn't know she's got it  
And that's what's a gettin' to me

She'll close her eyes when the music plays  
And the way she sways  
Really rocks the room  
She doesn't mean to get things stirred  
It's just a thing in her that was born to move

She doesn't know she's got it  
She doesn't know how bad I want it  
She doesn't know she's got it  
And that's what's a gettin' to me

I'm gonna work my courage up  
Tell her I'm in love  
I'm in love a lot  
She has my heart on a string  
Like everything the girl has got

She doesn't know she's got it  
She doesn't know how bad I want it  
She doesn't know she's got it  
And that's what's a gettin' to me

She doesn't know she's got it  
She doesn't know how bad I want it  
She doesn't know she's got it  
And that's what's a gettin' to me
