

Some Beach

Blake Shelton

Driving down the interstate, Running 30mins late, singing margaritaville
and minding my own, Some forgen car driver dude, with a road rage attitude
pulled up beside me talking on his cell phone, He started yelling at me

C F G(strum once)
Like I did something wronge, He flip me the bird and then He was gone

Some beach, Somewhere
Theres a big umbrella casting shade over an empty chair
Palm trees are grown and warm breeze is blowen, I picture myself right
there On some beach somewhere

I circled the parking lot trying to find a spot
Just big enough I could park my old truck
A man with a big cigar was getting into his car
I stopped and I waited for him to back up
From out of no where a Mercedes Benz
Came cruising up and whipped right in

Some beach
Somewhere
There's no where to go when you got all day to get there
There's cold margaritas and hot Senioritas smiling with long dark hair
On some beach
Somewhere

I sat in that waiting room
It seemed like all afternoon
The nurse finally said doc's ready for you
you're not gonna feel a thing we'll give you some novocain
That tooth will be fine in a minute or two
But he stuck that needle down deep in my gum
And he started drilling before I was numb

Some beach
Somewhere
There's a beautiful sunset burning up that atmosphere
There's music and dancing and lovers romancing
In the salty evening air
On some beach
Somewhere
On some beach, somewhere
