Pleased to meet a, sez the man in the suit contract in hand what ya gonna do your image will sell if it's just done right just sign on the line, dont put up a fight Piranha in the ocean eatin' you alive they've taken control can you survive

Look in the mirror, now what do you see who's the fool looking back at me? money's gone and so's the fame don't look far to see who's to blame.
