

## No One Cares

Blanks 77

Dont wanna be in your X Generation  
aint part of your new sensation  
theres a fire burnin' in my eyes  
teenage aggression no compromise  
theres a fire burnin' in my eyes

[Chorus:]

no one cares (no one cares)  
no one cares (no one cares)  
I dont care - and nobody understands

Im on a mission that i gotta complete  
im on a mission against the man on the street  
I got no money but it dont matter  
beauty in anger - anger is the power  
I got no money but it dont matter

searchin' for a place where I fit in  
runnin in the rat race i'm gonna win  
dont ever tell me theres no place like home  
when i'm home im all alone  
dont ever try and tell me theres no place like home
