

Did we have an understanding?
Maybe I don't understand.
All I know is that I feel so, I feel so...

Had I known I'd kept it all from you, oh
Had I only known you'd want him too.

Did we have an understanding?
Maybe I don't understand.
I foresaw no part of this, oh
I am screaming in between collapsing
Crumbling as I try to stand.
In my pretty fantasy I'm
Running at you with a gun in my hand.

Let the jury see, let the hammer fall,
Let your pitiful pleas mean nothing at all,
Nothing at all.

How dare you?
I cannot believe what I heard.
(It's absurd.)
He's prettier than you.
How dare you?
What's worse is that I saw him first.
(Am I cursed?)
I'll never forgive you.
