

# Wake Up, Open The Door, And Escape To The Sea

**Blaqk Audio**

Please catch me now, I'm lying.  
You taught me how it can feel like love.  
Just catch your breath.  
We'll dive in and our descent  
will somehow feel like life goes on.

Oh, my, my, you're oh so sly.  
Let's leave unsaid what's left unspoken.

Please hold me now, I'm freezing.  
God tell me how we ever got this cold.

Oh, my, my, you're oh so sly.  
Let's leave unsaid what's left unspoken  
And oh, my boy, you're oh so coy  
Let's just pretend that nothing's broken.

We'll censor the ending for me...for you.

Oh, my, my, you're oh so sly.  
Let's leave unsaid what's left unspoken  
And oh, my boy, you're oh so coy  
Let's just pretend that nothing's broken.
