## **Blaque Out**

## **Blaque**

I never thought that our love waas going to be something really special. That you were going to love me h ow I love you.

When the love comes and knocks the doors from your heart you ca lled me and now my love is you.

## [Chorus]

Because I love you I whant you I need you my love Your realy the only thing im always thinking of. Because I love you I whant you I need you my love Your trully the one in dreaming for and my reason to live.
