

Can't Trust Myself

Blaque

I didn't really want to be on your team
I just want to wear the uniform
That was enough for me
But somehow you stole the ball from my court
And you voiced a game one on one
That I didn't want to play

I never had a guy to play the whole game
They always seem to quit at halftime
Leave the rest to me
I never thought love should be that way
If you're down you should be down
Until the buzzer rings

And I can't go back down that road again
Knowing that it is another dead end
Although I really want to take this ride with you
I'm not sure what our destination is
And baby this is why

I can't trust myself
'Cause everytime I get around you
I turn into someone else
I'm learning too much about you
You can't possibly
Be this perfect, see why
Anytime I get around you
I can't trust myself
Trust myself

When we are alone it drives me crazy
'Cause I hate the fact that I don't want your love
I find myself pushing you away
Then I turn around and I want you to stay
And I know it's kind of premature
But I just gotta be sure

And I can't go down that road again
Knowing that it is another dead end
Although I really want to take this ride with you
I'm not sure what our destination is
And baby that is why

I can't trust myself
'Cause everytime I get around you
I turn into someone else
I'm learning too much about you
You can't possibly
Be this perfect, see why
Anytime I get around you
I can't trust myself
Trust myself

Remember the time you looked into my eyes
I never want to be with another guy
Everytime I think of how you make me feel
I know you're the one for me

I never had someone to treat me like you do
I pinch myself I can't believe it's true
You're the one, you set me free
I'm falling in love and it's killing me

I can't trust myself
'Cause everytime I get around you
I turn into someone else
I'm learning too much about you
You can't possibly
Be this perfect, see why
Anytime I get around you
I can't trust myself
Trust myself
