

## I Do

Blaque

Can't nobody tell me what I can  
'Cause I be lovin my man ridiculously  
Whether I should or shant  
Can't nobody tell me what I can  
what what? huh? huh?  
[repeat]

[Chorus:]  
Can't nobody ever say I don't love my man  
who are you to justify what i can and cant?  
gonna make him love me even more  
I've been giving him all of it  
And I did before

and i do give him the love that he wants  
and i do give him the love that he needs  
and i do give him the love  
that no girl in this world could ever touch and i do  
dah dah dah dah dah  
dah dah dah dah dah  
dah dah dah dah dah  
dah dah dah dah dah

dont nobody ever share the fun we have  
who are to manipulate the trust in my man?  
gonna show the world what we're made of  
wrapped into his arms he cant enough  
awww suki suki now

[chorus]

you aint never heard a cop like that  
be tryna herd me out of my relations nonstop  
time to get the po po's

like the dry ice cream. possibly  
L-A D-Z zacious dont be givin a ckuf  
when you think you be lovin yo man  
than he taps you on the shoulder  
sayin "baby you aint givin me love"
