

# Time After Time

Blaque

Lying in bed I hear the clock tick and I think of you  
Caught up in circles confusion is nothing new  
Flashbacks warm nights almost left behind  
Suitcase and memories time after

Sometimes you picture me im walking too far ahead  
You're calling to me I can't hear what you say

[Chorus:]

And you say go slow, I fall behind  
Second hand unwind  
If youre lost you can look and you will find me  
Time after time  
If you fall I will catch you I'll be waiting  
Time after time  
If you're lost you can look and you will find me  
Time after time  
If you fall i will catch you ill be waiting  
Time after time

After my picture fades and darkness has turned to gray  
Watching through windows you're wondering if I'm ok  
Secrets stolen from deep inside  
The drum beats out of time

time after time  
time after time  
time after time  
time after time  
time after time  
time after time  
time after...
