

Living Someone Else's Life

Blaze Bayley

As I lay down and close my eyes
I start to feel that there is something wrong.
Now i just don't feel myself
This is not where I belong.

Questioning my mental health,
I find I live a life that's not mine!

Living someone else's life,
I'm living someone else's life,
I see through someone else's eyes.
Living someone else's life,
I'm living someone else's life,
I live in someone else's time.

I am confused and I am lost
My existence I just can't define.
There is a world beyond this world
I live a life that is not mine.

Living someone else's life,
I'm living someone else's life,
I see through someone else's eyes.
Living someone else's life,
I'm living someone else's life,
I live in someone else's time.

This is not my life
This is not my life
