

Motherfuckers R Us

Blaze Bayley

Wake up on my own and I wonder where I am.
My mind begins to clear and I begin to understand:
today I am in phoenix and I'm feeling pretty low,
would you like to skip the afternoon and get right to the show?

'Cause I live to rock,
rock all night!
Just don't care, what's wrong or right!
Livin' loud, livin' free,
you and me, the mad motherfuckers...

Drivin, I've been rollin' I've been movin' all night long,
I've been so many places I don't know where I belong.
And I can say just one thing and it's in my own defense:
right here right now's the only place where I can make some sense.

'Cause I live to rock,
rock all night!
Just don't care, what's wrong or right!
Livin' loud, livin' free,
you and me, the mad motherfuckers...

It looks like motherfuckers R us tonight!
Right over here, we've got the crazy motherfuckers!
Right over there, we got wild motherfuckers!
Right over here, we've got the insane motherfuckers!
YEAH!

And they live to rock, rock all night!
Just don't care, what's wrong or right!
Livin' loud, livin' free,
you and me, the mad motherfuckers...
Motherfuckers. Motherfuckers. Motherfuckers.
