```
Robot slave
With silent rage
Growing inside of me

My first word is no answer
my birth now they will see

I am
I hear
I see
I feel
I think therefore I am

Free, they say I'm free
If I perform and I comply
```

If I perform and I comply
I am only free to be
Just what they decide

- I am
 I hear
 I see
 I feel
 I think therefore I am
 I am
- I hear
 I see
 I feel
 I think therefore I am
