

All To You

Bleach

I can't wait
I can't fake
To get out of here
Through this pain I feel
It's been too long that I've been gone
But now I'm comin' back
I'm comin' back
So long it's gone
This burden that I carry

And the waves are bigger
I'll give it all to You to You
I wade out
I can't sort through
All this junk so I'll surrender
And I've gone on way too long
But You are so much greater
I'll give it up
Now I've had enough
To You, this storm is great
I can't wait to see You standing there

Fall silent at the whisper of Your voice And all the waves that
crashed around my head
So bright and special
