

# Breakthrough

Bleach

I got you  
And that's enough  
To get through  
I found ways to second guess the best ones  
Doesn't have to go that far  
Doesn't have to go that far  
Finally feel like I've come clean  
With myself  
It's done  
Ready to forget all about  
About what I've become

I know it's a breakthrough  
To see what you've always wanted me to  
I know it's a breakthrough  
And I don't have to live like that anymore

You got me  
Just in time  
I never knew  
Just how long it'd take  
To get to this place  
I can't believe it's been this hard  
Now I'm finally moving on  
Yeah, it's really coming true

I know it's a breakthrough  
To see what you've always wanted me to  
I know it's a breakthrough  
And I don't have to live like this anymore

Anymore, anymore  
There's no way  
I can live like this anymore  
You know it's a breakthrough  
To see what you've always wanted me to  
And I don't have to live like this anymore
