

## Fell Out

Bleach

What's wrong with me, I just been layin' around  
Wishin it'd be like it was before I fell out  
Now is there any chance, that I can find romance  
Like we had back then, oh I want it again  
You said you'd hold on to me  
You always wanted for it to be oh, oh  
You said you'd never let go  
So now I want you to know that I can't stand it  
I am sorry  
I know I walked out on you  
What's wrong with me  
I just can't figure it out  
No motivation to change it since I fell out  
So is there any chance that I can make amends for what I've become,  
I know you are the one that said you'd hold on to me  
You always wanted for it to be oh, oh  
You never ever let go,  
So now I want you to know  
And I, been hopin' this ant hopeless  
I been dreamin' that you know this much is true  
I'm still inlove  
And I, I been dreamin'  
That this thing won't lose its meaning  
Tell me what I've got to do, I'm so inlove.
