

Get Up

Bleach

Bring it back just one more time
I hope that you might find
A way to see more clearly now
I think things would be just fine
If you'd just find the time to bring it on back,
Bring it on back, bring it on back now
get up, get up, get out yeah
complacent you've been paralyzed
Ambitions all run dry
So bring it on back, you gotta get back,
Bring it on back now
get up, get up, get out yeah
