

## Rock 'n' Roll

Bleach

I want you to know how I feel...About you about you  
About you...I want you to know ~ I want you to know  
How you feel...About me about me about me...I want you  
To know ~ Here I stand upon this stage...Surrounded by  
A see-through cage...I'm content to sing and shout...  
If you're content to hear me out...I've got a reason  
To rock this place ~ And so I'm turning up my mic...  
I'm gonna Rock N Roll all night...In ultrasonic  
Stereo...I'll tell you about the One I know...I've  
Got a reason to rock this place ~ I want you to know  
I want you to know...I want you to know I want you to  
Know...I want you to know I want you to know...I want  
You to know I want you to know ~ I want you to know...  
It's more than Rock N Roll...I gotta superphonic saying  
In my brain and it's gonna blow...
