## **Warp Factor Five**

Hold on, hold on it's a heavy scene...Warp Factor Five with me...Come along won't you come with me... Warp Factor Five you see ~ This world is buggin' outta control...And there's one sure thing for the Godly soul...Outta sight to your cosmic home...To your cosmic home, your cosmic home ~ Ride along to where I'm going...Down the road of gold to your diamond home... May you leave tonight past the speed of light...May you leave tonight for Paradise...Warp Factor Five ~ So long, so gone to a better scene...Warp Factor Five with me...Warp Factor Five you see...
