

Write It Down

Bleach

I'll write it down for you,
All that I've lost
I'm collecting my thoughts
and some pencil and paper will do.

If you're not listening now,
If you're not listening now,
I'll write it down.
I'll write it down.

I'll sing a song for you.
This my confession,
you are my obsession
and nothing else will do.

If you're not listening now,
If you're not listening now,
I'll write it down.
I'll write it down.

And all of the door have been locked
and the world is sleeping in.
I think I've had quite enough of this.
The time has come for it to end.
We'll live again.

So here's a envelope addressed to you.
I hope it has a chance of getting through.

If you're not listening now,
If you're not listening now,
I'll write it down.
I'll write it down.

So here's a envelope addressed to you.
(I'll write it down.)
I hope it has a chance of getting through.
(I'll write it down.)
