

I'm Ready to Move On/Mickey Mantle Reprise

Bleachers

I got one light
Dim for another
Why wait a minute to tell her I love
I'm waiting on the side of the road tonight
Stars are out but she's burning brighter
These nights are never the same
I'm at the bus stop alone but it never came
Waiting on the side of the road tonight
Stars are out and she's burning brighter

I got one dream
Been hurting me forever
Why wait a minute to tell her I'm better
I'm waiting on the side of the road tonight
Stars are out and she's burning brighter
These nights are never the same
I'm at the bus stop alone but it never came
Waiting on the side of the road tonight
Stars are out but she's burning brighter

Rolling thunder
Has cursed my bedroom

I wanna get free
From your world
From your bad dream
I wanna get lost

But there's still so much I'd like to say

Goodbye to the friends I've had
Goodbye to my upstairs neighbor
Goodbye to the dream downstairs
And anybody who lent me favor

I gotta get myself back home soon
