

Orange County Blonde and Blue

Bleeding Through

Name one thing you've ever fucking had to give
Your god damn life for
I've endured enough bitterness
Deflating hearts
Complete disgust
But you're fucking perfect
Your life's so perfect
Until you follow my footsteps through
Shallow waters I've overcome

What do you know about sacrifice
You're just an afterthought, flesh without bone
So here you sleep, in your kingdom
You walk through shit to rest on your throne

I gave my life for this
And I've watched my distance grow
I've paid enough with disconnect
From the people I've grown to love
Where the fuck are you?
You bear the curse of the snake
I've heard every insult,
I won't suffer your emptiness

What do you know about sacrifice
You're just an afterthought, flesh without bone
So here you sleep, in your kingdom
You walk through shit to rest on your throne

I've sacrificed enough for this life
So get the fuck out of my way
You're flesh without bone
So get the fuck out of my way
