

## Show Me What You Got

Blessed By A Broken Heart

I won't bow down  
To the god of this world  
False prophets who sell  
Their souls for silver and gold  
I won't rest until  
Your idols fall to the ground  
Just try and stop me  
Just try and stop me now  
So take your best shot  
Show me what you got  
So take your best shot  
Is that all you got  
I'm not going to be afraid  
Tonight, I'm not gonna run away  
I'm not going to be afraid  
Tonight I'm ready  
Show me what you got  
You think you're so tough  
Take your best shot  
Is that all you got  
Come on, come on  
If God is for us  
Who can be against us
