

## Pray for You

Blessid Union Of Souls

n his way to make a stand  
A little boy becomes a man  
Another soldier calling home  
Just to hear a mother's voice

In a world made out of sand  
He holds the phone tight in his hand  
And waits to hear the only words  
That can cut right through the noise

I'm gonna pray for you  
I 'm gonna pray for you  
Until you're in my arms  
I'm gonna pray for you  
I'm gonna wait for you  
Until you're safe from harm  
I'm gonna pray for you

In an alley dark and cold  
There's a young girl no one holds  
And it's been a long long time  
Since she's felt anything

There's a father on his knees  
Saying someone help her please  
Find my little girl who's lost  
As he hears the church bell ring

I'm gonna pray for you  
I'm gonna pray for you  
Until you're in my arms  
I'm gonna pray for you  
I'm gonna wait for you  
Until you're safe from harm  
I'm gonna pray for you

In an alley dark and cold  
There's a Savior no one holds  
And it's been a long long time...

I'm gonna pray for you  
I'm gonna pray for you  
Until you're in my Father's arms  
I'm gonna pray for you  
I'm gonna wait for you  
Yes I will wait  
Until you're safe  
Until your faith can lead you home  
I'm gonna pray
