Blessid Union Of Souls

You say you want a revolution Well you know we all want to change the world You tell me that it's evolution Well you know We all want to change the world But when you talk about destruction Don't you know you can count me out Don't you know it's gonna be alright Alright Alright You say you got a real solution Well you know we'd all love to see the plan You ask me for a contribution Well you know We're doing what we can But when you want money for people with minds that hate All I can tell you is brother you have to wait Don't you know it's gonna be alright Alright Alright

You say you'll change the constitution
Well you know
we all want to change your head
You tell me it's the institution
Well you know
You better free your mind instead
But if you go carrying pictures of Chairman Mao
You ain't going to make it with anyone anyhow
Don't you know know it's gonna be alright
Alright Alright
