Keep moving down the line,  
What's sitting here is mine.  
You've taken far too long,  
Go back where you belong.  
This place is not for the weak,  
This place is not for the weak.

They've all been begging for the truth  
It's over now (it's over now)

We gave our lives for this  
It's all we have  
It's all we'll ever know  
We sacrificed for this.  
When it's said and done,  
We'll have the scars to show,  
We'll have the scars to show.

I am destruction,  
You'll never be the death of me.  
You are deception,  
I am the one that you betray.

We gave our lives for this,  
It's all we have,  
It's all we'll ever know.  
We sacrificed for this,  
When it's said and done.  
We'll have the scars to show.  
We'll have the scars to show.  
From now 'till the end.  
From now until the end.

It's set in stone,  
Now there's no turning back.  
We'll stand our ground.  
We are unbroken!

It's set in stone,  
Now there's no turning back.  
We'll stand our ground.  
We are unbroken!  
It's set in stone,  
Now there's no turning back.  
We'll stand our ground.  
We are unbroken!

We are unbroken!  
We are unbroken!  
We are unbroken!
