

A Past and Future Secret

Blind Guardian

Oh, I haven't been here for a while.
In blindness and decay
the circle's been closed, now.

My song of the end, 2x
I've seen it all.

Listen crowd,
I'll tell you everything,
though I have to say,
I don't know much
talking about a past
and future secret.
Most called him once
and future king
far back in the past.
I saw his ending,
long before it started.
I knew his name,
he's the one who took the sword
out of the stone,
it's how that ancient tale began.
I hear it in the cold winds.

My song of the end, 3x
I had seen it in my dreams.
My song of the end,
I can't stop the darkening clouds.

I feel cold,
when I cry out for the bark,
take him back to Avalon
dwell on for a new age
so long sleep well my friend
take him back to Avalon.
I will wait and guard
the future king's crown.

My song of the end, 4x
it was nice but now it's gone.
My song of the end,
it was fixed the whole time.
My song of the end,
I saw it all.
