

# Bright Eyes

## Blind Guardian

Fool just another fool just another fool just another fool...  
I've been waiting for signs of God - Create - Enslaved - Behaved

Leave me alone isolation bears hope  
There's something else waiting a promised destiny  
Freezing me I feel restless and low  
These days full of shadows had joyfully changed into fear

My freakshow will start tonight  
Don't miss the right time

Bright Eyes blinded by fear of life  
No Merlin is by my side

And it grabbed inside  
It possessed and frayed my mind  
The Lord of Darkness takes my soul  
And when I left the light it seems so easy  
Everything's out of control

Hey mother stubborn I really hate you  
If you say yes I will say no  
Ashes to ashes and dust won't be dust  
If you go there I will go back

Bright Eyes blinded by fear of light  
Betrayed by sunlight  
Bright Eyes blinded by fear of life  
No Merlin is by my side

Hey father stubborn  
You're ying and I'm young  
I feel alone, who really cares ?  
Born into ashes to lose all the games  
With a smiling face, a smiling face

Bright Eyes blinded by fear of light  
And dark Dragons ride  
Bright Eyes blinded by fear of life  
No Merlin is by my side

So I sit still in my room Winter's here in Summer season  
Shall I say I was wrong if I'm right, and farewell to my final hope
