Into the Storm

Blind Guardian

Give it to me I must have it Precious treasure I deserve it

Where can I run How can I hide The Silmarils Gems of treelight Their life belongs to me Oh it's sweet how the Darkness is floating around

We are following The will of the one Through the dark age And into the storm And we are following The will of the one Through the dark age And into the storm Lord I'm mean

Blackheart show me What you hold in your hand I still hunger for more Release me From my pain Give it to me How I need it How I need it How I need it

Where can I run How can I hide The Silmarils Gems of treelight Their life belongs to me Oh it's sweet how the Darkness is floating around

We are following The will of the one Through the dark age And into the storm And we are following The will of the one Through the dark age And into the storm Lord I'm mean

I did my part Now it's your turn And remember What you've promised

Where can I run

How can I hide The Silmarils Gems of treelight Their life belongs to me Oh it's sweet how the Darkness is floating around

We are following The will of the one Through the dark age And into the storm And we are following The will of the one Through the dark age And into the storm Lord I'm mean
