

## War of Wrath

### Blind Guardian

The field is lost  
Everything is lost  
The black one has fallen from the sky and the towers in ruins lie  
The enemy is within, everywhere  
And with him the light, soon they will be here  
Go now, my lord, while there is time  
There are places below

And you know them too  
I release thee, go  
My servant you'll be for all time

As you command  
My king

I had a part in everything  
Twice I destroyed the light and twice I failed  
I left ruin behind me when I returned  
But I also carried ruin with me  
She, the mistress of her own lust
