Candy Says

Blind Melon

Candy says I've come to hate my body And all that it requires in this world Candy says I'd like to know completely What others so discretely talk about

I'm gonna watch the blue birds fly over my shoulder I'm gonna watch them pass me by Maybe when I'm older What do you think I'd see If I could walk away from me

Candy says I hate the quiet places That cause the smallest taste of what will be Candy says I hate the big decisions That cause endless revisions in my mind

I'm gonna watch the blue birds fly over my shoulder I'm gonna watch them pass me by Maybe when I'm older What do you think I'd see If I could walk away from me
