

I Wonder

Blind Melon

Hey I'd like to daze away to a place no one has known
In a state of mind I could call mine
That only I could own
Where I could hum a tune anytime I choose,
and there's no such thing as time
Where I can feel no pain just calm and sane
What a place for one to find
Now you see I'm watching everything I do
and they're watching everything I say
so they will leave me, leave me be
Whoa, leave me be
Why am I e--ven here? Oh, and I wonder
You leave me wondering

Oh, Won't you stop watching me
I said they're watching me, watching me, watching me, yeah

Now in my corner I got the ceiling in my eyes
Arms holding up my knees
And rocking back and forth's my life
I didn't mean to feel this way
When I walked into the door, Lord
Then they ripped away my memories
And I can't remember who I was before

And I only wanted to be sixteen

And free, yeah
And I wonder
