

# I Wonder

Blind Melon

Hey I'd like to daze away to a place no one has known  
In a state of mind I could call mine  
That only I could own  
Where I could hum a tune anytime I choose,  
and there's no such thing as time  
Where I can feel no pain just calm and sane  
What a place for one to find  
Now you see I'm watching everything I do  
and they're watching everything I say  
so they will leave me, leave me be  
Whoa, leave me be  
Why am I e--ven here? Oh, and I wonder  
You leave me wondering

Oh, Won't you stop watching me  
I said they're watching me, watching me, watching me, yeah

Now in my corner I got the ceiling in my eyes  
Arms holding up my knees  
And rocking back and forth's my life  
I didn't mean to feel this way  
When I walked into the door, Lord  
Then they ripped away my memories  
And I can't remember who I was before

And I only wanted to be sixteen

And free, yeah  
And I wonder
