

## Soul One

Blind Melon

How come, girl was there when I needed one  
How come, girl was there when the song is done  
Some say, open your eyes to a brighter light  
Okay, open my arms they were right

She was my soul one  
She felt she was the only one  
She was the sun, the sky blue eyes  
She was my soul one

Inside, pain in my heart often made her cry  
Outside, I cursed the birds and the sugar sky  
How long take to realize she's the one  
How long until I find my lost and lonely soul one

She was my soul one  
She felt like the only one  
She was the sun, the sky blue eyes  
She was my soul one

Should of never taken the time  
'Cause I found myself living a lonely lie  
You said, you left to find yourself  
But I never, no I never got the chance to say good-bye

She was my soul one I though she was
