

## The Duke

Blind Melon

Out here in nothin' engulfed by the sea  
And there's no one here 'cept these fishes and me  
I think I could die here  
Then I'm hit, leveled hard by the rising tide

Oh, I'm hit hard by the tide,  
I'm just livid,  
All alone

Sunny, so funny, not funny to me because,  
I'm bearing the scars from it burning on me  
But I feel so revived, just sittin', here thinkin'  
Then I'm hit hard, really hard by the tide

I'm hit hard by the tide, I'm just livid  
And I'm livin'

Yeah, I'm hit hard by the tide  
I'm livid, livid  
Hard by the tide I'm livin'
