

Circle Of Pain

Blind Myself

Circle of Pain

I have no idea, strong behind the weak
I have no idea, silence covers your life
I have no idea, no more sounds to hear
I have no idea, kill

Circle of pain

I have no idea, different mind in one
I have no idea, the unknown depth
I have no idea, motherf**king pollution
I have no idea, kill

I have power, power to kill
I'm stupid, I'm stupid to understand
Kill - kill

I have no idea, strong behind the weak
I have no idea, silence covers your life

From inside
To my dark half
