

Scarey Day Blues

Blind Willie McTell

I wants to wait around here baby : until your fried
rice get done
Because I think I got a nickel : I wants to buy me one

I wonder could I find a woman : to do like my last
rider done
She kept it all for her daddy : she didn't give nobody
none

Said my baby got a bed : it shines like a morning star
And when I crawls in the middle : it rides me like a
Cadillac car

My good gal got a mojo : she's trying to keep it hid
But Georgia Bill got something : to find that mojo with

I said she got that mojo : and she won't let me see
And every time I start to love her : she's tried to put
them jinx on me

Well she shakes it like the Central : she wobbles like
the L and N
Well she's a hot□shot mama : and I'm scared to tell her
where I been

Said my baby got something : she won't tell her daddy
what it is
But when I crawls in my bed : I just can't keep my
black stuff still

Well I done got reckless : and I broke my mama's rule
I been wandering around Georgia : with these doggone
scary day blues
