

# Can You Hear Me Now

Blinded Black

So let this be understood  
You said it like that, I said I like that  
And I'm terrible with words  
You said it like that, you didn't like that  
(just hold on, let it go)

You're so unpredictable  
You spoke to soon, you failed to  
(bite my tongue, fill the glass)  
You're so miserable alone

If timing's everything, then you are late  
The minute's pass and I'm still waiting  
How long will this last?

Can you hear me now?  
Whoaaa Whoaaa  
I'm on the other end of the telephone  
Look at me now, am I speaking clear enough  
Can you scream it now?  
Whoaa Whoaa  
I'm on the other end of the radio  
Tune it in, and I'll sing along  
You'll be the biggest fan we have.

Please misinterpret everything  
You said it like that, you did it like that  
Please tell me what I want to hear  
You did it like that, you did it like that.  
(just give up, never stop)

You're so unpredictable  
You spoke to soon, you failed to  
(watch your mouth, help me god)  
You're so miserable alone

If timing's everything, then you are late  
The minute's pass and I'm still waiting  
How long will this last?

Can you hear me now?  
Whoaaa Whoaaa  
I'm on the other end of the telephone  
Look at me now, am I speaking clear enough  
Can you scream it now?  
Whoaa Whoaa  
I'm on the other end of the radio  
Tune it in, and I'll sing along  
You'll be the biggest fan we have.

I'm on the other end of the radio  
I'm on the other end of the telephone  
Look at me now am I speaking clear enough  
Can you scream it now?  
I'm on the other end of the telephone  
I'm on the other end of the radio  
Tune it in, and I'll sing along

You'll be the biggest fan we have.

I'm on the other end of the telephone  
I'm on the other end, I'm on the other end  
I'm on the other end of the radio  
I'm on the other end, I'm on the other end.
