

Bloodstained Hollywood Ending

Blindside

Unpack that suitcase it's not time to leave
Unpack that broken heart
There's a window throw it out
It's a good way to start

You're half-asleep I'm wide awake
You're frozen is the ice about to break
And I'm done tiptoeing around you

I cross my heart and hope to die
You gave your all and so did I
Close your eyes and see
This is a bloodstained Hollywood ending

This is like a run to the airport movie
Can I catch you before you leave?
This is the end of the line
The choice is yours - Recent or receive

You're half-asleep I'm wide awake
You're frozen is the ice about to break
I'm done tiptoeing around you

I cross my heart and hope to die
You gave your all and so did I
Close your eyes and try
This is a bloodstained Hollywood ending
