

# King of the Closet

Blindside

I answer with a restless ok but I'm about to blow when you're gone  
I keep this to myself; a restless ok but I fear the dawn  
I've never been afraid to hide up in the dark  
It's the first morning stream of pure light that makes me rather swim with the sharks  
And it'll make me say I'm ok even though it hurts more if I stay  
And I'm ok. Yes, I'm ok. If that'll make your questions go away

I'm a vampire, I'm afraid the light will set me on fire

I'm cold in a way I just want to stay  
And I'm cold this way

Reckon I'll close the door  
Pull down the curtains stay close to the floor  
Mercy is for the weak; we do not train to be merciful here  
Mercy is everything I fear; we do not train to see His mercy here

Crawling again  
The heart is screaming with a smile  
Pride says no because of the stain  
The heart pounds for love, pride says no  
Because of what the heart is longing for  
I'm not sure I want to be a man anymore

This choice I've got to make,  
I've got to make alone  
A heart of stone  
This choice I've got to make  
I've got to make it true  
A heart broken in two
